

# Boys Wanna Be Her

Peaches

You've got them all by the balls  
causin' waterfalls, stone walls, bar brawls  
Common stalls that cause 'em all

To you they crawl, body sprawl  
Smokin' Pall Malls, close call, stand tall  
Doll, you make them feel so small  
(And they love it)

The boys wanna be her (The boys)  
The girls wanna be her (The girls)

I wanna be her

Yes I do

The way you rock, don't stop  
Girl, you got the chops  
Flip flop, she bop, self-taught  
You look so hot

Are you conceived, kids receive  
Crawling up her sleeve  
Parents bleed, can't conceive  
That indeed we'll never leave  
(And we love it)
