I got to the hilton full throttle full on choke the bottle and i take it strong come a little closer can u hear my thong whats the matter boy i say something wrong take my pulse and add insult smoke alittle cigarette and join my cult i get results doin summa summa salts think you got the combination crack that vault no votes just coast im the virus your the host

relax
slip in the cracks
ill take you to another place
we're makin contact
relax
slip in the cracks
ill take you to another place
you never wanna come ba a ack

im the real seas v velvetine
just press start on my main machine
site on scene another halloween
strip sixteen on my mosiclean
bam bam bam that how the party begin
wham wham wham its all a part of the damned
takin stand bringin the glam shizam
im a wonder woman
ground floor french door
one more whatchu waiting for
