

## All or None

Pearl Jam

It's a hopeless... situation  
And I'm starting to believe  
That this hopeless... situation  
Is what I'm trying to achieve

But I try  
To run on  
Towards  
All or none, ... all or none

Here's the selfless confession  
Leading me back to war  
Can we help that, .. our destinations  
Are the ones we've been before

I still try  
To run on  
Towards all  
Or none, ... all or none

To myself I... surrender  
To the one I'll never please

I still try, .. to run on  
But I still try, .. to run on  
But it's  
All or none, ... all or none.
