

Bee Girl

Pearl Jam

Bee girl, you're gonna die
You don't want to be famous, you want to be shy
Do your dances alone in your room
Becoming a star will become your doom

Bee girl, be a girl...
Bee girl, be a girl...
You know time is long, and life is short
Begin to live while you still can

Believe in nothing, believe me
Those who can be trusted can change their mind
The anxious is the present
Unwrap your gifts, take your time

Everything you imagined
Needn't be stuck in your mind
Bee girl, be a girl...
Bee girl, be a girl...
Thank you
