Black

Pearl Jam

Sheets of empty canvas, untouched sheets of clay
Were laid spread out before me, as her body once did
All five horizons revolved around her soul, as the earth to the

Now the air I tasted and breathed has taken a turn

Ooh, and all I taught her was everything Ooh, I know she gave me all that she wore And now my bitter hands shake beneath the clouds Of what was everything

All the pictures had All been washed in black, tattooed everything I take a walk outside, I'm surrounded by some kids at play I can feel their laughter, so why do I sear?

And twisted thoughts that spin round my head I'm spinning, oh, I'm spinning
How quick the sun can, drop away
And now my bitter hands cradle broken glass
Of what was everything

All the pictures had All been washed in black, tattooed everything All the love gone bad, turned my world to black Tattooed all I see, all that I am, all I'll be, yeah

I know someday you'll have a beautiful life
I know you'll be a star in somebody else's sky
But why, why, why can't it be, can't it be mine?
