

Hitchhiker

Pearl Jam

You fool, dude what do what you think you're doing?
So you're lost, my problem, that's not
Conductor says, "off of my train"
We understood, guest/host relationships ain't my thing
Even if I could, you ain't the kind of person I would help anyw
ay
I'm about to explode
Cause I can't carry your load
Hitchhiker, go, hitchhiker
You're cool, and cold in your calculations
We're friends, only because of my situation
I'm about to unload
Cause I can't carry your load
Hitchhiker, go, hitchhiker
Hitchhiker
So be gone, too soon is too late
I don't want no delay
So be gone, get your food off someone else's plate
Go tell all your friends
I'm an idiot and you're great
Hitchhiker, hitchhiker
Now go, hitchhiker, go, hitchhiker
