

Indifference

Pearl Jam

I will light the match this mornin', so I won't be alone
Watch as she lies silent, for soon night will be gone
Oh, I will stand arms outstretched, pretend I'm free to roam
Oh, I will make my way, through, one more day in Hell...
How much difference does it make
How much difference does it make, yeah...

I will hold the candle till it burns up my arm
Oh, I'll keep takin' punches until their will grows tired
Oh, I will stare the sun down until my eyes go blind
Hey, I won't change direction, and I won't change my mind
How much difference does it make
Mmm, how much difference does it make...how much difference...

I'll swallow poison, until I grow immune
I will scream my lungs out till it fills this room
How much difference (2x)
How much difference does it make (2x)
