## **Indifference**

## **Pearl Jam**

I will light the match this mornin', so I won't be alone Watch as she lies silent, for soon night will be gone Oh, I will stand arms outstretched, pretend I'm free to roam Oh, I will make my way, through, one more day in Hell... How much difference does it make
How much difference does it make, yeah...

I will hold the candle till it burns up my arm
Oh, I'll keep takin' punches until their will grows tired
Oh, I will stare the sun down until my eyes go blind
Hey, I won't change direction, and I won't change my mind
How much difference does it make
Mmm, how much difference does it make...how much difference...

I'll swallow poison, until I grow immune I will scream my lungs out till it fills this room How much difference (2x)How much difference does it make (2x)
