

Let Me Sleep (Christmas Time)

Pearl Jam

Cold wind blows on the souls of my feet
Heaven knows nothing of me
I'm lost, nowhere to go

Oh, when I was a kid
Oh, how magic it seemed
Oh, please let me sleep
It's Christmas time

Flowered winds was where I lived
Thought you burned, not froze for your sins
Oh, I'm so tired and cold

Oh, when I was a kid
Oh, how magic it seemed
Oh, please let me sleep
It's Christmas time

Oh ... oh, when I was a kid
Oh, how magic it seemed
Oh, please let me sleep
It's Christmas time

Oh ... oh, when I, if I was a kid
Oh, how magic it seemed
Oh, please let me dream
It's Christmas time
