

Soon Forget

Pearl Jam

1. Sorry is the fool who trades his soul for a Corvette
Thinks he'll get the girl, he'll only get the mechanic
What's missing? He's living a day he'll soon forget

R: That's one more time around, the sun is going down
The moon is out, but he's drunk and shouting, putting people
down
He's pissing, he's living a day he'll soon forget

*: Counts his money every morning,
the only thing that keeps him horny
Locked in a giant house, that's alarming
The townsfolk, they all laugh

2. Sorry is the fool who trades his love for hi-rise rent
Seems the more you make equals the loneliness you get
And it's fitting, he's barely living a day he'll soon forget

R: That's one more time around, and there is not a sound
He's lying dead, clutching Benjamins, never put the money do
wn
He's stiffening, we're all whistling, a man we'll soon forge
