

# Spin the Black Circle

Pearl Jam

See this needle  
Oh see my hand  
Drop, drop, dropping it down  
oh so gently  
here it comes  
touch the flame  
Turn me up  
won't turn you away

Spin, spin  
spin the black circle  
Spin, spin  
spin the black, spin the black  
Spin, spin  
spin the black circle  
Spin, spin  
whoa

Pull it out  
a paper sleeve  
Oh my joy  
only you deserve conceit  
Oh I'm so big  
and my whole world  
I'd rather you  
rather you, than her

Spin, spin  
spin the black circle  
Spin, spin  
spin the black, spin the black  
Spin, spin  
spin the black circle  
Spin, spin  
whoa

Oh you're so warm  
oh, the ritual  
as I lay down your crooked arm

Spin, spin  
spin the black circle  
Spin, spin  
spin the black, spin the black  
Spin, spin  
spin the black circle  
Spin, spin

[Repeat: x5]
