Pearl Jam

He's got a big gold ring which says "Jesus Saves"
And it's dented from the punch thrown at work that day,
Where he smashed a metal locker where he kept his things
After the big boss said you'd best be on your way

Oh yeah...
So this life is sacrifice
Oh yeah...
Jumping trains just to survive

Well his wife and kids' asleep but he's still awake
On his brain weighs the curse of thirty bills unpaid
Gets up, lights a cigarette he's grown to hate
Thinkin if he can't sleep, how will he ever dream

Yeah...
So this life is sacrifice
Oh yeah...
To a stranger's bottom line
Oh yeah...
I've seen the light
Ohh ohh ohhh... Ohh ohh ohhhh...
I'm scared of life
Near to death
Ohh ohh ohhh... Ohh ohh ohhhh...
I've seen the light
Scared of life

Yeah...
So this life is sacrifice
Oh yeah...
Was a dream that had to die
Oh yeah...
I've seen the light
Ohh ohh ohhh... Ohh ohh ohhhh...
And I'm scared of life
Near to death
Ohh ohh ohhh... Ohh ohh ohhhh...
I've seen the light
Scared of life
Ohh ohh ohhh... Ohhhhhh Ohhh..
And I'm near to death
Here to die
Scared of life
Near to death
Here to die
Scared of life...
