

# World Wide Suicide

Pearl Jam

I felt the earth on Monday  
It moved beneath my feet  
In the form of a morning paper  
Laid out for me to see  
Saw his face in a corner picture  
I recognized the name  
Could not stop staring at the  
Face I'd never see again

It's a shame to awake in a world of pain  
What does it mean when  
A war has taken over?  
It's the same every day  
I heard my name  
What can be saved and  
Who will be left to hold her?

The whole world  
World over  
It's a world wide suicide  
The whole world  
World over  
It's a world wide suicide

Medals on a wooden mantle  
Next to a handsome face  
That the president took for granted  
Writing checks the whole world pays  
And in all the madness  
Thought becomes numb and naive  
Too much to talk about  
And nothing for to say

It's the same every day  
And the wave won't break  
Tell you to pray while  
The devil's on his shoulder  
Laying claim to the take  
That our soldiers save  
Does not equate, and  
The truth's already out there

The whole world  
World over  
It's a world wide suicide  
The whole world  
World over  
It's a world wide suicide

Looking in the eyes of the fallen  
You've got to know there's another  
Another  
Another  
Another  
Another

Way

It's a shame to awake in a world of pain  
What does it mean when  
The war has taken over  
It's the same every day  
And the wave won't break  
Tell you to pray while  
The devil's on his shoulder

The whole world  
World over  
It's a world wide suicide

The whole world  
World over  
It's a world wide suicide

The whole world  
World over  
It's a world wide suicide

The whole world  
World over  
It's a world wide suicide
