

## I Saw The World

## Pearls Before Swine

I saw the world  
Spinning like a toy  
Hate seems so small  
Compared to it all  
So why don't you do joy

Hate is a chain  
It all comes back again  
Everything you do  
Returns at last to you  
So why don't you do love

Why must you stand  
Holding your own hand  
Why won't you see me  
Why won't you help me  
Why won't you love me
