(oh Dear) Miss Morse

Pearls Before Swine

```
Oh Dear, Miss Morse,
I want you,
Oh yes, I do,
I want you.

This may strike you
Odd-I-ly
But I want you
Bodily

Don't blame me dear,

Blame McLuhan
His media
Were your ruin

Chorus:
Dit Dit Dah Dit
Dit Dit Dah
Dah Dit Dah Dit
Dah Dit Dah
(Morse Code: F-U-C-K)
```
