

## Foregone Conclusions

Pedro the Lion

i don't want to believe that all of the above is true  
but i could be persuaded if you were to give me proof  
why don't you come over thursday maybe we can talk it through  
as if some new information were possible to comprehend or intro  
duce  
after all you and i are nothing more than foregone conclusions  
you were to busy steering the conversation toward the lord  
to hear the voice of the spirit begging you to shut the fuck up  
you thought it must be the devil trying to make you go astray  
besides it couldn't have been the lord because you don't believe  
he talks that way  
too close to call yet  
still so tightly wound around our foregone conclusions
