

Pain Is My Friend

Pegazus

A broken heart
It's broke in two
'Cause of a bitch
That looks like you
She was the one
She was my love
Now she is gone
Now all I've got is

PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY

It's in my gut
It feels so sharp
Won't go away
It's here to stay
Don't wanna feel it
Feel this way
What can I do
It's here to stay

PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY

PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY

You were my friend
Or so you said
I see it now
What friendship means
My back is turned
Knife in my back
You stuck it in
With words you say

PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
PAIN, PAIN, PAIN IS MY FRIEND
PAIN, PAIN, PAIN IS MY
IS MY FRIEND!
