I don't need a million dollars To make my dreams come true Baby, all I need is you

I don't need a fortune teller To tell my troubles to Baby, all I need is you

Don't need the sun, don't need the stars For at last I realise I found the sun, I found the stars Shining in your eyes

I'm right at the gates of heaven And I could walk right through Baby, all I need is you

Baby, all I need is you

Baby, all I need is you
