

Deep Purple

Peggy Lee

When the deep purple falls
Over sleepy garden walls
And the stars begin to flicker in the sky

Through the mist of a memory
You wander back to me
Breathing my name with a sigh

In the still of the night
Once again you hold me tight
Though you're gone, our love lives on
When moonlight beams

And as long as my heart will beat
Lover, we'll always meet
Here in my deep purple dreams

As long as my heart will beat
Lover, we'll always meet
Here in my deep purple dreams
