Deep Purple

Peggy Lee

When the deep purple falls Over sleepy garden walls And the stars begin to flicker in the sky

Through the mist of a memory You wander back to me Breathing my name with a sigh

In the still of the night
Once again you hold me tight
Though you're gone, our love lives on
When moonlight beams

And as long as my heart will beat Lover, we'll always meet Here in my deep purple dreams

As long as my heart will beat Lover, we'll always meet Here in my deep purple dreams
