Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever, when you kiss me Fever when you hold me tight Fever in the mornin', a fever all through the night

Sun lights up the day time
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right

You give me fever, when you kiss me Fever when you hold me tight Fever in the mornin' A fever all through the night

Everybody's got the fever That is somethin' you all know Fever isn't such a new thing Fever started long ago
