

## Hey There

Peggy Lee

Hey there.  
Hey there, you with the stars in your eyes  
Love never made a fool of you  
You used to be too wise  
Hey there, you on that high flying cloud  
Tho' she won't throw a crumb to you  
You think some day she'll come to you  
Better forget her  
Her with her nose in the air  
She has you dancing on a string  
Break it and she won't care  
Won't you take this advice  
I hand you like a brother  
Or are you not seeing things too clear  
Are you too much in love to hear  
Is it all going in one ear and out the other.
