Hey there. Hey there, you with the stars in your eyes Love never made a fool of you You used to be too wise Hey there, you on that high flying cloud Tho' she won't throw a crumb to you You think some day she'll come to you Better forget her Her with her nose in the air She has you dancing on a string Break it and she won't care Won't you take this advice I hand you like a brother Or are you not seeing things too clear Are you too much in love to hear Is it all going in one ear and out the other.
