

I Am in Love

Peggy Lee

I am dejected.
I am depressed.
Yet resurrected and sailing the crest.
Why this elation, mixed with deflation?
What explanation?
I am in love.

Such conflicting questions rise
Around in my brain
Should I order cyanide
Or order champagne?

Oh, what is this sudden jolt?
I feel like a frightened colt,
just hit by a thunderbolt.
I am in love.

I knew the odds were against me before,
I had no flair for flaming desire,
But since the gods gave me you to adore,
I may lose but I refuse to fight the fire,

So come and enlighten my days and never depart.
You can only brighten the blaze that burns in my heart,
For I am wildly in love with you,
And so in need of a stampede of love.
