

# I Could Have Danced All Night

Peggy Lee

I could have danced all night  
I could have danced all night  
And still have begged for more  
I could have spread my wings  
And done a thousand things  
I'd never ever done before  
I'll never know what made it so exciting  
But all at once my heart took flight  
I only know when she began to dance with me  
I could have danced, danced, danced, danced, danced, danced

Bed? I couldn't go to bed  
My head's too light to try to settle down  
Sleep? I couldn't sleep tonight  
Not for all the jewels in the crown!

I'll never know what made it so exciting  
But all at once my heart took flight  
I only know when she began to dance with me  
I could have danced, danced, danced, danced all night
