

I Wanna Be Loved

Peggy Lee

I wanna be loved with inspiration,
I wanna be loved starting tonight.
Instead of merely holding conversation
Hold me tight!

I wanna be loved, I crave affection,
Those kisses of yours, I'd gladly share,
I want your eyes to shine in my direction.
Make me care!

I want the kind of romance that should be strong
And equally as tender.
I only ask for the chance to know the meaning
Of the word "surrender"

I wanna be thrilled by only you, dear,
I wanna be thrilled by your caress.
I wanna find each dream of mine come true, dear
I wanna be loved!

I wanna be thrilled by only you, dear,
I wanna be thrilled by your caress.
I wanna find each dream of mine come true, dear
I wanna be loved!
I wanna be loved!
