

# Music! Music! Music!

Peggy Lee

Put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!  
I'd do anything for you  
Anything you'd want me to  
All I want is kissin' you  
And music! music! music!  
Closer, my dear, come closer  
The nicest part of any melody  
Is when you're dancing close to me  
So, put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!  
Put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!  
I'd do anything for you  
Anything you'd want me to  
All I want is kissin' you  
And music! music! music!  
Closer, my dear, come closer  
The nicest part of any melody  
Is when you're dancing close to me  
So, put another nickel in  
In the nickelodeon  
All I want is lovin' you  
And music! music! music!
