

## Walking Happy

Peggy Lee

There's a kind o' walk you walk  
When the world's undone you,  
There's a kind o' walk you walk  
When you're walking proud

There's a kind o' walk you walk  
When the neighbors shun you  
There's a kind o' walk you walk  
Sets you 'bove the crowd

There's a kind o' walk you walk  
When somebody loves you  
That's very much like walking on a cloud

Good fortune found you, chappie  
And your lives are happy, Valentine  
When you're walking happy  
Don't the blooming world seem fine

There's a kind o' walk you walk  
When you feel like crowing  
There's a kind o' walk you walk  
When you're on your way

There's a kind o' walk you walk  
When your pride is showing  
There's a kind o' walk you walk  
Today's your day

There's a kind o' walk you walk  
When the world's a rainbow  
And you heart is popping like a popping jay

So you had best believe it, chappie  
You're finding life is finger snappy  
The day you learn that walking happy  
Gives the world a shine

So just keep walkin' happy with your hand in mine  
With your hand in mine, keep your hand in mine  
Love your hand in mine
