

# You're Getting to Be a Habit With Me

Peggy Lee

Every kiss, every hug, seems to act just like a drug  
You're getting to be a habit with me  
Let me stay in your arms, I'm addicted to your charms  
You're getting to be a habit with me

I used to think your love was something that I  
Could take or leave alone  
But now, I couldn't do without my supply  
I need you for my own

I just can't break away, I must have you every day  
As regularly as coffee or tea  
You've got me in your clutches and I can't get free  
You're getting to be a habit with me

You're getting to be a habit with me
