Pendulum

When I'm falling down
Will you pick me up again?
When I'm too far gone
Dead in the eyes of my friends

Will you take me out of here?
When I'm staring down the barrel
When I'm blinded by the lights
When I cannot see your face

Take me out of here
Take me out of here
Take me out of here
Take me out of here

All I believe
And all I've known
Are being taken from me
Can't get home

Yeah, do your worst
When worlds collide
Let their fear collapse
Bring no surprise

Take me out of here

Feed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with me

Feed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with me

Just stay where you are
Let your fear subside
Just stay where you are
If there's nothing to hide

Feed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with me

Feed the fire, break your vision
Throw your fists up, come on with me
Feed the fire, break your vision
Throw your fists up, come on with me

Feed the fire, break your vision
Throw your fists up, come on with me
