Pendulum

When I'm falling down Will you pick me up again? When I'm too far gone Dead in the eyes of my friends

Will you take me out of here? When I'm staring down the barrel When I'm blinded by the lights When I cannot see your face

TakemeoutofhereTakemeoutofhereTakemeoutofhere

All I believe And all I've known Are being taken from me Can't get home

Yeah, do your worst When worlds collide Let their fear collapse Bring no surprise

Take me out of here

Feed the fire, break your vision Throw your fists up, come on with me Feed the fire, break your vision Throw your fists up, come on with me

Feed the fire, break your vision Throw your fists up, come on with me Feed the fire, break your vision Throw your fists up, come on with me

Just stay where you are Let your fear subside Just stay where you are If there's nothing to hide

Feed the fire, break your vision Throw your fists up, come on with me Feed the fire, break your vision Throw your fists up, come on with me

Feed the fire, break your vision Throw your fists up, come on with me Feed the fire, break your vision Throw your fists up, come on with me

Feed the fire, break your vision Throw your fists up, come on with me
