## Pendulum

It's in your eyes, a color fade out  
Looks like a new transition  
The starting up and shaking your ground  
Turning your head to see a new day calling

Does it feel like a head to lean on?  
A snapshot from where you were born  
I'm looking for your hand in the rough  
You're caught in the wire  
Well I'll lift you out

Leading on the action  
Caught in a cell phones rays  
Bleeding on a sofa  
Staring at the waistline  
He's coming and she knows it  
Even though she knows why  
Footsteps in the hallway  
Girl you haven't got time

You gotta get out  
Go far away  
You gotta get out  
Go far away

Darkness in the bedroom  
Maybe she is resting up  
Maybe she was out late  
Just come back from the club  
I can't hear her breathing  
Something doesn't seem right  
Killer in the hallway  
We're living on a set time

We gotta get out  
Go far away  
You gotta get out  
Go far away
