

Last Saving Grace

Penetration

Are you a china doll
Too beautiful to touch?
Do you reflect reality
And vanish at a touch?

The femme fatale
for every man
Attacks him - quick
Leaves while she can
She's got eyes of steel
Too perfect to be real.

Give her pleasure
And desire
See the hunger in her eyes
Give her pleasure
Understand

Ambition carries her
Through all the stormy seas
She is the captain of her will
She will not suffocate.

Captivated by the charms
and graces
Who can see no further
Than the many faces.

Give her pleasure and desire
See the hunger in her eyes
Give her pleasure
Understand her-
Nothing less than she demands.
