

## Stone Heroes

### Penetration

I looked into the hourglass  
And watched the grains of sand  
I wandered through the latitudes  
And crossed the strangest lands

R:

L Laughing  
L Loving  
Reach the promised land  
F Fighting  
L Losing  
Lost beneath the sand  
Journeys into places  
No man has ever been  
Conquering the continents  
No man has ever seen

Where time amounts in misery  
Where treasure's buried deep  
Where no man enters to disturb  
The king's eternal sleep

R:

I'm lost in a forgotten world  
Where ancient heroes fell  
The Sphinxes guard, their solitude  
Their bodies rot in hell
