Pennywise

Fools run the government sick foreign policy  
Their words sound valiant but their hands are green  
Unending quest for power Taxes that make us slaves  
Don't believe a word of it ignore the fucked up things they say  
I'm gonna make it on my own Dictator on a throne  
Make my own philosophy U.S. of me  
A citizen who's really pissed United Anarchists  
Give me death or liberty I am my own country

Old whigs in parliament play bedroom politics  
Salacious stories make them look obscene
