

# Coldest Winter

Pentatonix

On lonely nights I start to fade  
Her love's a thousand miles away  
Memories made in the coldest winter  
Goodbye my friend will I ever love again  
Memories made in the coldest winter

It's 4am and I can't sleep  
Her love is all that I can see  
Memories made in the coldest winter  
Goodbye my friend will I ever love again  
Memories made in the coldest winter

Goodbye my friend will I ever love again

If spring can take the snow away  
(If spring can take the snow away)  
Can it melt away all of our mistakes  
(Can it melt away all of our mistakes)  
Memories made in the coldest winter  
Goodbye my friend (goodbye my friend)  
Will I ever love again  
Memories made in the coldest winter

Goodbye my friend I won't ever love again  
Memories made in the coldest winter
