One more time!
One more time!

Like the legend of the Phoenix
Yeah
All ends with beginnings
Oh
What keeps the planet spinning
Ah
The force from the beginning
Oh
We've come too far to give up who we are
So let's raise the bar and our cups to the
stars

We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky

We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night-
All night to get-
Up all night to get-
Get- get lucky

Last night, I had this dream about you.
In this dream, I'm dancing right beside
you.
There's nothing wrong with just a little
bit of fun.
We were dancing all night long.

Oh

I don't know what to do
About this dream and you
I hope this dream comes true

One more time!
Hey, we're gonna celebrate
Aw yeah, Alright
Don't stop the dancing
One more time
We're gonna celebrate
Work it, harder
Make it, better
Do it, faster
Makes us, stronger
More than, ever
Hour, after
Our, work is
Never over
Work it harder, make it better
Do it faster, makes us stronger
More than ever, hour after
Our work is never over
Work it harder, make it
Do it faster, makes us
More than ever, hour after
Our work is never over
Work it, harder
Make it, better
Do it, faster
Makes us, stronger
More than ever, hour after
Our work is never over

Television
Rules the nation
Oh yeah
Television
Rules the nation
Music's got me feeling so free
Celebrate and dance so free
One more time
Music's got me feeling so free
We're gonna celebrate
Celebrate and dance so free
Tonight
Hey
Just feel it
Music's got me feeling so free (To give up
who we are)
One more time
Music's got me feeling so free (Let's raise
the bar)
We're gonna celebrate
Celebrate and dance (and our cups)
To the stars!

We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to the sun
We're up all night to get some
We're up all night for good fun

We're up for
One more night!
We're up all night to the sun (Oh!)
Eh, around the world (Celebration!)
Feeling so free!
Woah, one more night!
We're up all night to the sun (Woah)
Hey, around the world (Celebration)
Feeling so-
Our
Work is
Never
Over
