All ends with beginnings
What keeps the planet spinning
The force from the beginning
We've come too far to give up who we are
So let's raise the bar and our cups to the
We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're up all night to get lucky
We're up all night-
All night to get-
Up all night to get-
Get- get lucky
