

Somebody That I Used to Know

Pentatonix

Now and then I think of when we were together
Like when you said you felt so happy you could die
I told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

But you didn't have to cut me off
Make it like it never happened and that we were nothing
I don't even need your love, but you treat me like a stranger
And that feels so rough

No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
Guess that I don't need that though
Now you're just somebody that I used to know

Now you're just somebody that I used to know
Now you're just somebody that I used to know

Now and then I think of all the times you screwed me over
But had me believin' it was always something that I'd done

But I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you used to know
now

But you didn't have to cut me off
Make it like it never happened and that we were nothing
I don't even need your love, but you treat me like a stranger
and that feels so rough

No, you didn't have to stoop so low
Have your friends collect your records
And then change your number
Guess that I don't need that though
Now you're just somebody that I used to know

Somebody that I used to know
Somebody that I used to know
Somebody that I used to know
Somebody that I used to know
