

The Baddest Girl

Pentatonix

Do you really love me?
Do you really care?
Do you really want me?
Do you really
At least pretend to love me girl
I don't care if that love is real

They say you're the baddest girl around
You take your men and then you shoot them down
They tell me to get out while I can
"Cause she ain't good for you man"
So I listened
And ran

But your body's got me thinking twice
Your reputation do not matter with those eyes
Don't care if you're lying from the start
Just take my heart
And break it

Cause I am ready for you, take me on a ride, baby
You never know if something's good until you've tried

(Oh, no)

Do you really love me?
(T-t-tell me that you love me, say it)
Do you really care?
(Do you really? Really care?)
(I won't hold you to it, put me through it)
Do you really want me?
(Don't worry, my heart is made of steel)
Do you really-
At least pretend to love me girl
I don't care if that love is real

Woah, woah
Don't care if that love is real
Don't care if that l-love
Don't care if that l-l-l-love

They say you're the baddest girl around
A heart that's breaking is your favorite sound
Don't even know what 'chu gon' put me through
You're having de ja vu
Just another man down

So, I am ready for you, take me on a ride, baby
You never know if something's good until you've tried

(Oh)

Do you really love me?
(T-t-tell me that you love me, say it)
Do you really care?
(Do you really? Really care?)
(I won't hold you to it, put me through it)

Do you really want me?
(Dont' worry, my heart is made of steel)
Do you really-
At least pretend to love me girl
I don't care if that love is real

You are the girl of my dreams
I know this love ain't real
But make believe is good enough for me
And if you give me a chance, somehow I'll change your mind
Though I know, you know, I know
I'm wasting my time

Oh
(Do you really love me?)
(Do you really love me?)
Do you love me?
(Do you really love me?)
Put me though it, put me through it
Tell me do you love me
(Do you really love me)
Please!
(Love me)
Please!

Oh, do you really love me?
(T-t-tell me that you love me, say it)
Do you really care?
(I won't hold you to it, put me through it)
Do you really want me?
(Dont' worry, my heart is made of steel)
Tell me do you really love me just tell me
At least pretend to love me girl
I don't care if that love is real
