Get On The Flaw

People In Planes

I got a red car And I'm going to unleash her I want a red car It's only human nature

There's somebody missing I thought I counted in Somebody better catch him Cos now he is offended

We're gung-ho for info We're kids to the cola And we'll take over

Get on the flaw What you waiting for This life holds more So get on the flaw

He's going ballistic I think they'll pay a visit We'll get compensated But it'll never cover it

We're gung-ho for info We're kids to the cola And we'll take over

Get on the flaw What you waiting for This life holds more So get on the flaw
