

Last Man Standing

People In Planes

I am the last man stand survivor,
I'll be the last man home.
I'll be the last man stand survivor,
I'll be the last man home.

You're all alone sitting in the corner,
you've got a killer stare.
Who's messing around with you in the corner?
He better says his prayers.

You found in yourself a new sensation,
but baby, it's a jungle out there.
The one's you counted on are all, but gone.
Baby, it's a jungle out there.

I am the last man stand survivor,
I'll be the last man home.
I'll be the last man stand survivor,
I'll be the last man home.

I wish you would try and look
a little more excited.
Let me stay, let me, cos I'm coming anyway.
