My Black Widow

People In Planes

Black widow in a white room will you survive? Black widow in a white room with no diguise Black widow in a white room you stand out a mile Black widow in a white room

Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who to believe in Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who she's killing

Who'd you believe in

Black widow in a white room

Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who to believe in Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who she's killing

Who'd you believe in

She's such a liar I'm gonna spy on her You make me disappear with flick of your little finger, why? You make me!

Black widow in a white room will you survive? Black widow in a white room with no diguise Black widow in a white room you stand out a mile Black widow in a white room, oh

Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who to believe in Black widow on a mission can't stand what she's missing Black widow on a mission she don't know who she's killing
