

# The Annexation Of Puerto Rico

Pepper Rabbit

In the old stories,  
I am an aeroplane,  
I'm so boring,  
I just wanna be a train.

It's a lot to come on your own. x2

In your tree house,  
Kept up on wooden beams,  
I wound in the ropes,  
And skinned both my knees.

It's a lot to come on your own. x2

It's a lot to come on your own. x2

It's a lot to come on your own. x2
