

The Annexation Of Puerto Rico

Pepper Rabbit

In the old stories,
I am an aeroplane,
I'm so boring,
I just wanna be a train.

It's a lot to come on your own. x2

In your tree house,
Kept up on wooden beams,
I wound in the ropes,
And skinned both my knees.

It's a lot to come on your own. x2

It's a lot to come on your own. x2

It's a lot to come on your own. x2
