

No Reason

Pepper

This fading light must be playing a trick on me.
How did you walk across the room
And change the world I see
I lost my breath, lost my sight
And the room began to sway
I look at you, oh, you leave me nothing to say

Ain't no rhyme, ain't no reason
It's just a mystery
Ain't no rhyme, ain't no reason
For what you do to me

This kind of thing
Was not supposed to happen to me
All the walls I built up came apart so easily
Some kind of spell that I can't shake
Got a hold on me
Now I don't know if I ever want to be free

Ain't no rhyme, ain't no reason
It's just a mystery
Ain't no rhyme, ain't no reason
For what you do to me

Oh I'm falling into the mist
And I'm face to face
With a life of emptiness
Oh I want to run
But I can't move

Don't want to give in
But there's nothing I can do
I lay awake and try
To sort out what is true
I close my eyes

But all I see is you
I'm like a ghost
I'm like a shadow
And I can't go home
You shake the ground
Hey. That I'm standing on

Ain't no rhyme, ain't no reason
It's just a mystery
Ain't no rhyme, ain't no reason
For what you do to me
