

## Reverse

Pepper

I've got myself in a masochistic hold  
Why don't you let go, shake it off but  
Just to redirect my flow  
Come on let's go

Sit up straight, I'm on a double date  
I've got to find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off in front of every other road block

Come again and tell me  
What you're going through  
Like a girl who only knew  
Her child was due

Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas

And you always took me with a smile  
When I was down  
Memories of everything  
That blew through

Looking up into  
What an undertow, give it up  
Another stubborn Scorpio  
Come on, let's go

Sit up straight, I'm on a double date  
I've gotta find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off in front of every other road block

Come again and tell me  
What you're going through  
Like a girl who only knew  
Her child was due

To the moon  
She gave another good review  
Turn around and look at me  
It's really, really you

Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas

And you always took me with a smile  
When I was down  
Memories of everything  
That blew through

Sit up straight, I'm on a double date  
I've gotta find my way  
Into the light, heavy, middle weight  
We don't stop for rock around the clock  
Motor mouthing off in front of every other road block

Memories of everything  
On lemon trees on Mercury and  
Come to me with remedies  
From five or six of seven seas

And you always took me with a smile  
When I was down  
Memories of everything  
That blew through
