Pepper

My heavens low but the songs the same  
Seems I'm always lookin' when I hear your name  
You've been away but don't leave this side  
Seen all of your faces you've tried to hide

So I'm sitting here in a train station  
Lord, knows I step with no hesitation  
Oh, I've seen through your lies  
Still I'm one, still I'm one to testify

And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"

To the questions that you're asking  
I've only expected everything  
These arms of mine are burning  
As I see, as I see those pages turning

And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"

I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually

My heavens low but the songs the same  
Seems I'm always lookin' when I hear your name  
You've been away but don't leave this side  
Seen all of your faces you've tried to hide

So I'm sittin' here in a train station  
Lord, knows I step with no hesitation  
Oh, I've seen through your lies  
Still I'm one, still I'm one to testify

And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"

I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually

Said I'm sorry  
Said I'm sorry  
I'm a lover  
I'm a lover who says, he's sorry

Said I'm sorry  
Said I'm sorry

I'm a lover  
I'm a lover who says, he's sorry

Said I'm sorry  
Said I'm sorry  
I'm a lover  
I'm a lover who says, he's sorry
