

Wanted

Pepper

If you let me have a taste, I'll probably keep this world from
falling down
I'm pulling on my E-
brake, and when I turned around you were gone
You made me fall in love again, I know it's no ones fault but m
y own
I'm blinded by my reasons, well I guess that's why I'm all alon
e
And that's what I wanted, and that's what I found, I
I could never change your mind, I could never reach you in time
All is lost, and is that all that I want yah
take those glasses off your face, can't you see your sun is goi
ng down
Can't believe you live that way, you're holding all your breath
e for someone else
All I made was one mistake, almost seems like you were counting
on more
Do I disappoint you, or did I do something more
And that's what I wanted, and that's what I found, I
I could never change your mind, I could never reach you in time
All is lost, and is that all that I want yah
Well I was way too young, and I was way to shy
But I remember you, remember you
I must have asked myself, about a million times if
That's what I wanted, and that's what I found, I
I could never change your mind, I could never reach you in time
And that's what I wanted, and that's what I found, I
I could never change your mind, I could never reach you in time
All is lost, and is that all I want yah
