

## Wanted

Pepper

If you let me have a taste, I'll probably keep this world from  
falling down  
I'm pulling on my E-  
brake, and when I turned around you were gone  
You made me fall in love again, I know it's no ones fault but m  
y own  
I'm blinded by my reasons, well I guess that's why I'm all alon  
e  
And that's what I wanted, and that's what I found, I  
I could never change your mind, I could never reach you in time  
All is lost, and is that all that I want yah  
take those glasses off your face, can't you see your sun is goi  
ng down  
Can't believe you live that way, you're holding all your breath  
e for someone else  
All I made was one mistake, almost seems like you were counting  
on more  
Do I disappoint you, or did I do something more  
And that's what I wanted, and that's what I found, I  
I could never change your mind, I could never reach you in time  
All is lost, and is that all that I want yah  
Well I was way too young, and I was way to shy  
But I remember you, remember you  
I must have asked myself, about a million times if  
That's what I wanted, and that's what I found, I  
I could never change your mind, I could never reach you in time  
And that's what I wanted, and that's what I found, I  
I could never change your mind, I could never reach you in time  
All is lost, and is that all I want yah
